Northern Doctors Education and Training Events - April 2019

Dear Junior Doctor,

Welcome to the April edition of Northern Doctors newsletter! This edition includes:

- **Safety Alert** - A reminder to all staff to be vigilant when travelling on and off site, particularly afterhours. Things to consider:
 - Be aware at all times of your surroundings and minimise your distractions i.e headphones and texting
 - If you are travelling to your vehicle at night, consider travelling in groups, and driving your colleagues to their vehicles
 - If you are concerned for your personal safety, consider returning to the building if closer and alert security immediately.
- Term 2 Hospital orientation - Monday 6th May at 7.30am. If you haven't completed mandatory training this is your opportunity. The alternative is to complete modules online ([Mandatory Training](#)) however this process will take much longer.
- [Northern Doctors workshops](#) –BLS, ALS & Advanced Neo Resus courses have been added. Click on link for more info - Password: NorthernDoctors (*no space between words*)
- [UPDATE - Radiology Request Process](#) – Faxing for xray requests at Epping site. From March 2019 for Epping site, plain xrays for inpatients can now be ordered by faxing the request slip to Radiology.
- Check out [OnTheWards conference](#) independently run by junior docs for junior doctors in training. – Saturday 18th May, Sydney. OtW19 provides medical education and practical online resources for early career doctors worldwide. This year's conference theme is "Future. Ready". For more info & to register click on heading.
